New centres

- We recently carried out start up visits for two new centres in Belfast, Northern Ireland and we look forward to working with them.
- One of our ENOS Trial Medics visited Belgium in June with a view to them recruiting to the trial.
- ENOS will have a stand at the UK Stroke Forum in Harrogate in December, and we look forward to meeting collaborators there.

Tips of the month

Patch application. Please remember to apply a gauze patch if the patient is randomised to no GTN. This can be prescribed to ensure this is changed every day.

Database correction form. There is a database correction form now available on the website. This can be completed and faxed to the International Coordinating Centre on +44 (0) 115 823 1771 if a mistake is made when entering data.
