World Stroke Congress, Vienna

ENOS jointly hosted a stand with the STICH-II trial at the WSC. We were pleased to meet with many of our international collaborators.

The ENOS stand: Sharon Ellender, Professor Kameshwar Prasad (India), Sally Utton, Philip Bath

Sharon Ellender (International Coordinator) and Dr Blanca Fuentes (Spain)

Irish Gerontological Society

ENOS was delighted to be invited to the Irish Gerontological Society in Kilkenny, 2-4 October. ENOS hosted a stand and displayed a poster at the conference. Dr Ronan Collins is the National Coordinator for Ireland and will lead ENOS. He and colleagues in Dublin are aiming to recruit the first Irish patient in the coming few months.

Asian Oceanic Congress of Neurology

Philip Bath presented at the above Congress in Delhi, 23-24 October. An Investigator Meeting was held on 23 October for current and prospective collaborators in India. Other international collaborators from Nigeria were also present. Professor Kameshwar Prasad, Philip Bath and Sharon Ellender presented at this meeting.

Tip of the month

- Please ensure that all paperwork is updated to Protocol v1.5, PIS/consent v2.11.
- CVs that are faxed to the International Coordinating Centre should have full telephone, fax and email details. CVs should be signed and dated and updated every two years.

*****Recently Updated Forms*****

- **Protocol v1.5; PIS v2.11** (including new Independent Physician PIS); **Consent v2.11**
- Contact details for Trial Staff v1.3, FAQ v1.5, ENOS flow chart v1.6, Baseline form v3.4
- **** NEW Patient Pack v1.2 **** All current case record forms for one patient in one document.
- International insurance confirmation letter, 2008-2009

All forms can be downloaded from the ENOS website.

**ENOS now has 74 centres in 14 countries.
More centres are welcome.**
